Ross Statham,

Your Aeronautical Inquiry has been received by the FAA.

=====

AI-202560

Category: Charts &amp; Publications &gt; VFR Charts

Chart Type: VFR Charts

Chart: New Orleans

Inquiry: Over the past year we have had over 9000 skydiving jumps on to our field, and recently signed a long-term agreement with the operator. Accordingly we would like to have the VFR chart updated to show skydiving at our field. We are submitting a separate inquiry and request to have the AF/D updated as well.
