Chipley, FL 32428

RE: Airport Board Seat Appointment, Frank Acuff

Gentlemen:

The Tri-County Airport Authority requests that you appoint Washington County resident **Frank Acuff** to fill the seat recently vacated by the passing of James Town. We have spoken with Mr. Acuff, who is a former member of your Airport Board and we believe would be an excellent addition to our team. We ask that he fill the term for our seat that runs October 1, 2021 through September 30, 2024.

We ask that his appointment be formalized by the County Commission as soon as possible, so that we can put Mr. Acuff to work. His address is 677 Corbin Rd, Chipley, FL 32428.

By way of reminder, Washington, Jackson and Holmes counties each provide three board seats, whose three-year terms begin each October 1st. (This was reduced last year by the Florida legislature from 5 seats per county down to 3 seats each.)

We are also happy to report that your airport is in excellent shape financially and operationally, including new operational improvements and improvements which are fully described on our public website, below. Please note the new logo (above) that advertises our upcoming airport designation to "KBCR", which indicates to the aviation world our new ability to operate large aircraft, including jets, from our facilities.

Sincerely,

Ross E. Statham, Board Secretary
