Mr. Horton:

This morning the Tri-County Airport posted the following public notice regarding our DBE plan goals and methodology. We ask that you distribute to interested parties and or file as you see fit.

We have provided a notice and letter to the Florida Small Business Development Centers at the University of West Florida, in Pensacola, to the Center at Florida A&M, in Tallahassee and to the SBA office in Jacksonville. This same notice and information have been posted at the airport and on the front page of our website.

Please feel free to reach out to me with any questions.
