

GRANT ACTIVITY – 3 March 2022

Resolution 22-01 voted on and approved at last month's meeting giving the Chairman permission to sign the resolution and application for the second round of COVID-19 funding.

Resolution 22-02 was presented for discussion and vote for a grant in the amount of \$ 100,000 for Height Zoning Ordinance Development. Resolution approved giving permission for the Chairman to sign resolution and grant application.

Resolution 22-01, Application for ARPA COVID-19 funding, Resolution 22-02 and Height Zoning Ordinance Grant application all signed by Chairman on 2/9/2022.

Height Zoning Ordinance grant application submitted by email to FDOT on 2/10/2022. Executed grant with notice to proceed received back from FDOT via email on 2/15/2022.

ARPA application submitted by email to FAA on 2/10/2022. No response as of 3/2/2022 so email with attachments resent to both Chastity Clark and Stephen Wilson with the FAA. A return email from Mr. Wilson received the same date stating he would check into the status of this grant funding. Mr. Wilson with FAA sent email dated 3/3/2022 stating that the application is at FAA headquarters being reviewed and he will let me know if approved or denied as soon as he hears back.
