**Proposal for Tri-County Airport Bird Estuary  
1983 Tri county Airport Rd, Bonifay, FL**

**1. Description**

This work consists of clearing, grubbing, removing and disposing of vegetation and debris within the red outlined area of attached exhibit except objects designated to be removed in accordance with other sections of these specifications. Specifically,

- a. Mulch the outer bank of the bird estuary.
- b. Clear and grub all vegetation around the bird estuary within the red line of attached map, excluding the marshy area. Any trees that leave holes in ground will be filled in by existing soil on the property. The area will be leveled using existing soil.
- c. Debris will be removed from site; however the mulching of the outer bank will leave mulch.
- d. Finished product is rough grade, some small debris will remain on the ground.  
(Debris that is too small for dozer rake.)
